The 2025 AIChE® Gala — **Engineering A Decade of Impact** — celebrates 10-years Doing a World of Good, and the power of philanthropy to transform the chemical engineering community.

Thanks to your generosity: we've **certified and educated thousands on process safety** through UPSLI, **advanced inclusion** through IDEAL Communities, inspired **500+ young students** through Bee A ChemE and **awarded 500+ scholarships** through FOSSI. Each year, the Gala funds these and many other programs that showcase the impact of chemical engineers.
